Hurricane Assistance Packets Shipped

Ninety (90) hygiene kits (towels, soap, and other essential items) were assembled after worship last Sunday (September 17) by the congregation. Less than 24 hours later they were shipped. Thank you to all who provided materials, donations and/or stuffed the bags with essentials.

Shipping was about \$3.00 per kit. Materials for the kits were approximately \$12 per unit. You can still contribute to defray the advance materials purchased to make the kits and/or the delivery. Mark any specific donation as “Hurricane Relief.”

In addition, the Session last evening authorized an additional \$1,000 donation from Community Presbyterian to Presbyterian Disaster Assistance (PDA). PDA is one of the most effective and efficient faith-based relief agencies in the United States. Their work is year around and ongoing. You can view the scope of your mission at <https://pda.pcusa.org>.

See in this CPC Express other ongoing local and extended missions of the people of Community Presbyterian.

Church members are invited again this year to join the fun, help with the carnival games, hand out candy for the “trick or treaters,” and meet families who attend our school.
