Family Assistance Ministries (FAM).

## Rose Garden Update:

We will be ordering our **100+ bricks** for the rose garden this week and the bricks will come by truck on a pallet in about 30-35 days. We need to get those bricks off the truck and the easiest way would be with a forklift.

Does anyone have access to or know of anyone who has a forklift? If so, please call the church office at 949.493.1502. Thank you.

## Stewardship:

Please pay your 2018 per capita of \$32.58.

## Ash Wednesday:

6:00 p.m. – Soup Supper

7:00 p.m. – Service with Imposition of Ashes

Join us for this meaningful service as we are mindful of God's love and our need for forgiveness.

## Lenten Connection 2018:

**During this Lenten season**, the Christian Education team wants to encourage the congregation of Community Presbyterian Church not only to join us for our ***Soul Tending*** series but to engage in the daily practice of prayer and devotion. Many of you may already have a tool that you use for this purpose.

For those of you who are interested but don't know where to start, here are three ideas:

1. You can access the daily lectionary on our website.  
(Or ask Megan Beck for a paper copy of the readings.)
2. Access *Our Daily Bread* online or download the app  
Website: [ourdailybread.org](http://ourdailybread.org)  
App Name: Our Daily Bread by RBC Ministries
3. Download the app *Pray As You Go* by MoveApp

We would also like to pair you with a prayer partner from our congregation during Lent. Our hope is that you can connect with this person once a week through email, text, or in person. You can fill out an information form on **Sunday, February 11 or on Ash Wednesday** and give it to Megan Beck. Please see Megan or Terri Beck for details.

If you know you want a partner and will not be at church on Sunday or Ash Wednesday, email Megan Beck at [office@sjcpres.org](mailto:office@sjcpres.org) and she will partner you up with someone.

## Life Line Screening Event:

Life Line Screening is pleased to offer a preventive health event at Community Presbyterian Church on **Monday, March 12** in Fellowship Hall. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis.

Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6441 or visit [www.lifelinescreening.com/communitycircle](http://www.lifelinescreening.com/communitycircle) or text the word circle to 797979.**
