## Community Conversations / First Quarter Topic:

### Habitat Gardening Wednesday, January 24

Community Presbyterian Church  
Fellowship Hall  
7:00 p.m.

Learn how to invite birds, butterflies, and bees onto your patio or into your garden. Then relax and be soothed by nature in your own backyard! This *Community Conversation* will be led by Patty Roess, a professional gardener at *Tree of Life Nursery*, a native plant nursery on Ortega Highway near Casper's Park.

Patty will create a few small habitat gardens to be auctioned off at the end of the session. All proceeds will go to CPC's 100th Anniversary Renovation Fund.

*Community Conversations'* intent is to **provide meaningful discussions, open to the entire community**, at no cost. These community "forums" will occur approximately quarterly.

*Community Conversations* will explore issues, opportunities, and responsibilities surrounding a variety of interesting and timely topics. The second quarter topic, tentatively on April 25, 2018, will deal with Advance Care Planning (in partnership with the Alzheimer's Association of Orange County).

All are welcome to come – and to invite your neighbors!
